INNOVATIONS THAT UNLEASH WORKLIFE POTENTIAL

Embrace the power of ergonomic design and customisable configurations that redefine worklife. Monitor arms are not just accessories; they are the cornerstone of a dynamic, efficient workspace. Enhance productivity, promote well being, and optimise office layouts with Fellowes Monitor Arms. Elevating office spaces has never been more accessible or rewarding, with a comprehensive collection of unique ranges.

For more than 100 years, Fellowes® has been helping people be the best they can be while at work. More productive. More efficient. Happier. Healthier. We are bonded by a century long commitment to creating workspace solutions that communicate care and respect, and we believe that with the right tools, everyone has the ability to fully harness their potential. Everything that carries the Fellowes name is a promise of quality, performance, innovation and outstanding customer service.

RISING™ MONITOR ARMS

Rising provides a design led solution with ease of reconfigurability and add-ons, providing even more function and flexibility to any workspace. With 12 total configurations to choose from, Rising facilitates maximum adjustability with one, two or three computer screens along with various ranges of height and length to fit unique needs. Rising stands out for its unique offering: a vibrant color palette comprising 9 different colors, including standard, premium, and in-trend finishes, that enhance workspaces wherever they may be, infusing them with a distinctive flair.
